

Student Camera Contract

I _____ need to use a digital camera to take pictures for Yearbook class. I understand that this camera is the property of Blackhawk Christian School and should only be used to take pictures of school events. I understand that I should not allow students who are not in Student Media to use this camera while it is in my possession.

It is my responsibility to carefully check the camera for any defects before checking it out. I also understand that it is my responsibility to look after and care for the camera while it is in my possession. I agree that I will, to the best of my ability, keep the camera in good working order and return it in the same shape and working order as when I checked it out. I understand that I will be held accountable for any defects that are found when the camera is returned. I will return the camera, at the first possible time, to Ms. Clayton or the high school office.

By signing this, I agree that I have read and fully understand the above statement.
