Ch. 6

All that year the animals worked like _____.

How do the animals break up the large boulders into a manageable size?

List three of the needs the animals had that could not be produced on the farm:

Napoleon is going to sell a stack of _____ and part of the _____, and maybe _____ later if more money is needed.

The animals are uneasy about this new arrangement, but _____ convinces them everything is okay.

What is the name of the man who Napoleon allows to visit the farm?

How do the humans feel about Animal Farm at this point?

The pigs move into the _____.

What happens to the fourth commandment?

The pigs get up _____ later than everyone else.

Benjamin refuses to be optimistic. He just says:

Stop reading at the end of that paragraph!
