

Country Infographic & Presentation Project Instructions → 50pts

1. Each student will choose a different Spanish Speaking country to research.
2. Each student will create an Infographic over their country.
 - a. I will provide the blank infographic.
 - b. Students are in charge of filling it out, decorating it, coloring it, etc.
 - c. Each infographic should contain the following:
 - i. Country Name
 - ii. Capital
 - iii. Population
 - iv. Size & Size compared to....
 - v. Flag
 - vi. Famous People- at least 3
 - vii. Map
 - viii. Products – at least 4
 - ix. Foods – at least 2
 - x. Facts – at least 3
 - d. Neatness, spelling/grammar will also be part of the grade.
3. Each student will also create a presentation on Google Slides that includes all the information they found over their country to present to their classmates on their given due date.
 - a. The presentation will also be part of the total grade.
 - b. Find an interesting current event involving that country to share with the class; include this on a slide as well.
