

Planear Una Fiesta - Lección 3

Objective: I have a daughter or son that is turning 15. You and your partners (2-3) will plan the perfect Quinceañera to win the contract to plan the party.

Part 1: The presentation - Will be in English - Class will vote on the best group (50pts)

1. Create a presentation, video, or infographic with the following information:
2. Choose a location, theme, decorations, colors, date of celebration
3. Type of food/drinks/cake
4. Guest Dress Code
5. Make an invitation -> When, Where, Dress (include an example in your presentation)
6. Music/Entertainment/Dance
7. The dress/es for the birthday girl
8. Special events during the party
9. Include an itinerary of the day of the party
10. Include prices of everything, and final cost

Part 2: Individual Part-Written & Read on Seesaw (50pts)

1. Using the preterite tense, I want you to pretend the Quinceañera already happened. Tell me about how your planned party went. Was it a success? Did the birthday girl have fun? How were the guests? Tell me about the party in general. (This section needs to be 10 sentences)
2. You will record your sentences on Seesaw for a speaking grade.
