

BCS Student Chromebook Responsible Agreement

Blackhawk Christian School (hereafter BCS) provides students access to technology as one component of our learning environment that we believe, when leveraged appropriately, enhances and accelerates learning. This access supports our mission of *Preparing Hearts and Minds to Serve Christ*.

Please initial and sign below

I Agree to:

- 1. Use only logins, passwords, and Chromebook assigned to me.
- 2. Store files on Google Drive.
- 3. Only access appropriate materials and websites.
- 4. Be sure I am the legitimate owner of all materials in my Google Drive.
- 5. Return the Chromebook and plug it in to the correct charging station at the end of school.
- 6. Bring the Chromebook to the teacher or help desk as soon as possible when a repair is needed.
- 7. Treat people and property respectfully.

I Agree NOT to:

- 1. Add any programs or apps to the Chromebook, including App-store items.
- 2. Do not write on or add stickers to your Chromebook.
- 3. Attempt to bypass BCS filtering software.
- 4. Illegally download software, music, or videos.
- 5. Share personal information about myself or others online.
- 6. Attempt any repairs myself or by anyone other than the BCS help desk.
- 7. Bring any personally-owned laptops to school.

Infractions of the above will result in administrative action, which could include consequences at the discretion of school administration. Students may lose Chromebook privileges and/or be required to pay fees for restoring laptop to original condition.
