### Get College Credit NOW!

#### What you need to know:

- Junior and Senior students in good academic standing are eligible (GPA of 2.5 or higher)
- You do not have to plan to attend Grace College to take advantage of its dual credit program.
- Dual credit courses are \$25 per credit hour, which means a 3-credit course costs just \$75. Hybrid courses follow a different rate and are \$50 per credit hour.
- **All Fall 2025 courses must be paid by September 26, 2025 or the student will be dropped from the dual credit course**
- Courses and grades become a permanent part of your official college transcript regardless of the grade earned.
- You can request a transcript for transfer credits through [www.getmytranscript.org](http://www.getmytranscript.org)
- A grade of C or better on an official transcript is needed to transfer to most colleges or universities. Failing college courses has consequences and may cause a student to become ineligible for federal financial aid after high school graduation.
