WELCOME!

Thank you for sending your child to Blackhawk Christian School. We are blessed to be part of this wonderful faculty and feel very privileged to be in a position to influence your son or daughter to be more like Christ. This will be a year of tremendous growth—physically, emotionally, spiritually, and academically. Additionally, we will have many exciting times as well, and we treasure being given the opportunity to learn to know your student. In the information below, we have included several items of classroom rules and procedures in hopes that good communication will allow us to have a very smooth year together.

PLEASE JOIN US!

We hope you are free at times to join us for chapel, lunch, field trips, class parties, *Route 5:6* parties or school events. You are welcome to stop in at any time. Our chapel time is every Wednesday morning at 8:20 in the Asylum. It lasts until about 30-40 minutes and includes worship, scripture, a guest speaker, and special numbers by students. Exciting field trips will be a part of our year with a trip to Merry Lea, Crazy Pins, JA BizTown and more. In addition, Jogathon is a great activity for parents to attend. There will also be 5th and 6th grade choir and band concerts, volleyball games for girls, and basketball games for boys and girls. Having parents involved a lot to the students, and we encourage your participation.

BINDER and ASSIGNMENT BOOK

Your student will be expected to use and instructed in how to keep an organized binder and assignment book (purchased at school). If your student struggles in this area, please keep him or her accountable by looking at the binder and assignment book often. All papers should be in the intended categorized sections of the binder so nothing gets misplaced. Please **do not** remove any items for your student as we will keep some instructional tools in the binder for the entire year. The teachers will look at the assignment books every Monday morning to be sure it is signed by a parent and being used properly. Your student should fill in **all** the assignments every day, checking off the assignment as it is completed. Therefore when 2:45 comes, the necessary books go home for study and assignment completion.

ASSIGNMENT BOOK

The assignment book has valuable information including the next week's quizzes, tests, or projects, and any missing or late homework from that week. Looking through your student's work and information will help us all be on the same page. We really appreciate the time you take to help your child be successful!

Route 5:6 Teacher's Moodle

You will be able to access additional information on Moodle on the BCS Website. The address is <http://bcmoodle.org/> on this site you will find each teachers' subject. Many items are added each week concerning notes, upcoming tests and quizzes, projects and much more.

CLASSROOM RULES

Be Respectful, Responsible and Ready

LATE/MISSING ASSIGNMENTS

Since completing work well and on time is such a crucial key to academic success, we will have high accountability for students in this area. An assignment is considered "late" when it is not finished by the deadline, when the instructions were not followed completely, or when it is left at home. Assignments not turned in on time will receive a 10% grade deduction the first day it is not handed in. Assignments not turned in the second day will be a 50%. Assignments not turned in at all will be a zero. A reward will be received each week the student has no late assignments, building up to a quarterly party to celebrate completion success
